

## **Determinations – Andreea Cristea**

Andreea Cristea was unlawfully killed.

On 22 March 2017 Andreea Cristea was walking across Westminster Bridge with her boyfriend, Andrei Burnaz, from the Parliament Square side. She was stopping at times to take photographs with her mobile phone. While on the pavement, she was struck by a Hyundai vehicle which was being deliberately driven towards pedestrians on the pavement. This was part of a terrorist attack. Andreea was thrown into the air and over the parapet of Westminster Bridge, landing in the river Thames below. She was carried by the current a distance of 100 metres and was in the water for around five minutes before she was recovered by a London Fire Brigade boat. She was treated by fire officers and then by an ambulance crew and paramedics, before being taken by ambulance to hospital. While in hospital, she received extensive and complex medical care over the following days. Despite the best efforts of clinicians, she died on 6 April 2017.
